

Ask an adult to help you cut out your box and trim your tape!

How to build your box:

- 1) Cut out the box template with the help of an adult.
- 2) Cut out the coin slot with the help of an adult.
- 3) Fold across the lines between each square.
- 4) Fold the corner tabs inwards.
- 5) Fold to create a cube shape.
- 6) Use tape to secure each edge.
